ABOUT

DEEPAIM

alias
Patrick Kretschmer

Producer & DJ Artist ,DEEPAIM', from Berlin/Germany, took up in 7th grade to move the turntables. Fascinated by music, harmonies and sound-design, he finally made his way to big german radio stations in 2002, where he learned producing OnAir Sound Design, creates his own Radio Shows and he became a resident DJ in many different clubs in Berlin. This was the foundation of his career.

Since 2003 till 2016 as Resident-DJ he thrilled meanwhile about one million people on the biggest New Year's Eve Party at the Brandenburg Gate in Berlin. Since 2008, DEEPAIM has also been the resident DJ of the football fan mile in Berlin at the Brandenburg Gate.

In 2008 he was Co-Founder of "TOP 100 STATION". One of the most successful Hit-Radio-Format in the World Wide Web. He is responsible for the OnAir Sound Design, Resident DJ and creates his own Radio Shows.

Producing and live mixing mash-ups were a part of DEEPAIM's main set until 2018. But he realized it was time for the next step in his career, the production of his own songs. Through his know-how in the radio business, feedback from colleagues, but above all through YouTube, he quickly learned new skills in songwriting and producing.

In summer 2019 he also got the chance to play at the World Club Dome in Frankfurt. Thanks to the spectacular DJ set, this went seamlessly into the World Club Dome - Winter Edition 2020.

Following the motto "learning by doing", numerous releases with increasing quality followed in a short time. This also increased the collaboration with various successful artists and songwriters (including Bounce Inc., Perfect Pitch, Sara Sangfelt aka Scarlett, Jordan Grace, Tyler Sjöström, CANCUN?, Denny White, Rocco, Sash!, Van Heden).

And the story goes on...
